Applications: soil and asphalt compaction, roads and railways, pipelines and foundations, backfill, trenches, foundations, patching and asphalt repair.

Trenches and pipeline projects, construction and maintenance, backfill, trenches and foundations, backfill, trenches, foundations, patching and asphalt repair.

Applications: paving, Concrete blocks, natural stones (cut; diamond technology. The company, which has its HQ in Boppard and has belonged to the MAW group since 2003, produces machines for soil, asphalt and road compaction as well as stabilizers/recyclers, milling machines and pavers.

The company has six branches in Germany and 14 sales subsidiaries. Over 320 dealers in more than 120 countries guarantees the global distribution of BOMAG machines and their maintenance.
PRODUCT GUIDE

LIGHT EQUIPMENT.

**Easy fit vulkanol mats for interlocking block applications**
- Available for all plates except BPH 80/65 S, BPR 100/80 D, BP 12/50 A and BVP 12/50 A.

**Transport wheels**
- For all single direction and reversible vibratory plates < 350 kg.
- Not for BVP 10/30 and BVP 12/50 A.

**Electric starter**
- Available for the following reversible vibratory plates:
  - BPR 35/42 D
  - BPR 35/60 D

**Variable working widths**
- On all models using extension or wear plates.
- Except model BPR > 350 kg.

**Extension legs**
- For deep trench applications:
  - 150 x 120 mm (b x h)
  - 100 x 370 mm (b x h)
  - 150 x 370 mm (b x h)

**Transport trolley**
- Available for all models.

**Water sprinkler system**
- For asphalt work on all forward moving vibratory plates (not for BVP 10/30), BPR 25/40, BPR 25/40 D, BPR 25/50, BPR 25/50 D.

**Steering bow, central position**
- BP 12/50 A, BP 20/50, BP 25/50.

**Combination remote control radio/cable**
- Standard for BMP 8500, BPH 80/65 S.

**Continent control**
- With integrated City Mode.
- BPR 70/70 D, BPR 100/80 D.

**Tip-Control**
- ECONOMIZER Display for soil compaction:
  - BPR > 350 kg, BMP 8500.

**Service Kits**
- For all machines.

**Light Equipment**
- Accessories: Tough Warranty

**New Warranty Options**
- Now available for the entire Light Equipment range.
- Please refer to your price list and service documents for further information.

**The proven 3-2-1 warranty**
- Is still standard.

**Extended Warranty**
- Options

**Tamper options**
- Choice of shoe widths:
  - 150, 200, 240, 265, 280 and 330 mm.
  - Including side protection.

**Vibratory Plates**
- Notes on accessory system for equipment:
- For casting vibratory plates to 300 kg (cut for BVP 10/50 and BVP 105/50).

**Electric starter**
- Available for the following reversible vibratory plates:
  - BPR 35/42 D
  - BPR 35/60 D

**Reversible Hydraulic Plates / Multipurpose Compactor**
- Available for the following reversible hydraulic plates:
  - Exciter gears
  - Vibration motor/pump
  - Drum

**Tampers**
- Hour counter and tachometer for optimum maintenance planning.
- Optional for BVT 65.
- Standard for BT 60, BT 65, BT 60 G, BT 65 G.

**Comfort guide handle**
- For all BP and BVP models.

**Ashphalt Equipment**
- Extensions for asphalt compaction:
- BPH 100/65D, BPH 105/65D.

**Wiring box**
- Suitable for all tampers with gas operation.

**Transport box**
- With 4 gas bottles.

**Warranty**
- Tamper: 3 years
- BPR: 3 years
- BPH: 3 years
- BP/BVP: 2 years
- BPR: 2 years
- BPH: 2 years
- BW: 1 year
- BMP: 1 year

**If you offer high quality, you can also give extensive warranty cover!**

**Tough Warranty 3-2-1 warranty as a standard**

**Parts + labour**
- Tamper: 3 years
- BPR: 2 years
- BPH: 1 year
- BP/BVP: 2 years
- BPR: 2 years
- BPH: 2 years
- BW: 1 year
- BMP: 1 year

**The BOMAG warranty conditions apply.**
